("Cumulogic") grants to You a limited, non-exclusive, non-transferable, royalty-free, license to install and use the Beta Software in a non-production environment for testing and evaluation purposes only. 3.2 You may not distribute, rent, lease, sell, sublicense, assign, or otherwise transfer in whole or in part, the Beta Software to any third party or allow the use or access by any third party or operate the Beta Software for the benefit of a third party without the written consent of Cumulogic. You may not modify, translate, reverse engineer, decompile, disassemble, or create derivative works based on the Beta Software.

3.3 In consideration for access to the Beta Software You agree to give Cumulogic feedback regarding the functioning of the Beta Software, and any problems you find and improvements you might recommend (“Feedback”). All such Feedback may be used by Cumulogic in its sole discretion for any purpose, without restriction or any obligation, financial or otherwise, on the part of Cumulogic to you.

3.6 The Beta Software includes third party code that is subject to third party licenses which are a part of the terms and conditions of this License (“Additional Licenses”). URLs for the Additional Licenses are provided in Exhibit A hereto and your acceptance of this License constitutes acceptance of the Additional Licenses.

3.7 You are responsible for separately obtaining and complying with any licenses necessary to operate third party software not distributed with the Beta Software, including without limitation, operating systems, web services and application programs which the Beta Software enables you to run.

#### **4. Termination**

Section 5- Warranty Disclaimers and Liability Limitations shall survive any expiration or termination of this License.

#### **5. Warranty Disclaimers and Liability Limitations**

5.1 You understand that the Beta Software is pre-release software which is experimental and has not been fully tested. Accordingly, the Beta Software, and any and all accompanying software, files, data and materials, are distributed and provided "AS IS" and with no warranties of any kind, whether express or implied, including, without limitation, any warranties of merchantability, non-infringement or fitness for a particular purpose. This disclaimer of warranties constitutes an essential part of this License.

5.2 Except to the extent expressly prohibited by applicable law, in no event shall Cumulogic, or its principals, shareholders, officers, employees, affiliates, licensors, contractors, subsidiaries, or parent organizations, be liable for any direct, indirect, incidental, consequential, special or punitive damages whatsoever relating to the use of the Beta Software even if advised of the possibility of such damages.
